

December 21, 2020

Dear Adult Academic Learners,

Happy Holidays! We are wrapping up our final week of classes for 2020. Your teacher(s) should be reaching out to you today or tomorrow (Dec. 21-22) to touch base with you and see how you are doing. Just as a reminder, classes will end on Tuesday, December 22<sup>nd</sup> and will resume again on Monday, January 4<sup>th</sup>. We are scheduled to resume in-person instruction at that time, but we are unsure if that will happen or not. Please continue to check your email and our Facebook page regularly for updates. Please note, classes will resume on January 4<sup>th</sup> no matter what, either in-person or virtual.

There is a tote outside our office door for you to pick up and drop off assignments. A friendly reminder that many of you have items waiting to be picked up. PLEASE stop by to pick those up TODAY or TOMORROW. The tote will NOT be out during break. Also, don't forget to drop off completed work! You will not receive credit for work not passed in.

Our office will be closed at noon on December 22<sup>nd</sup> and will remain closed throughout the holiday. Karen will be back in the office on Monday, January 4<sup>th</sup>. Please feel free to call and leave a message during that time, we will return your call on January 4<sup>th</sup>.

We are all very proud of the work many of you have been able to successfully complete during these last two weeks of remote learning. We know and understand it has been a struggle for some of you, as you have had to also juggle remote learning with your own children. Some of us are in the same boat! We also understand and respect that some of you simply prefer in-person instruction and have not participated in remote learning activities. All of the above is absolutely fine. This is your journey and it is about what works best for YOU. Let's all hope that we will be back in school, working face to face in our classrooms in 2021!

Take time to enjoy your family and reflect on the positive things that have managed to surface through the darkness of this pandemic, like more quality family time. Remember that you have a whole team of cheerleaders in your corner at SAD 1 Adult & Community Education! We will get through it!

Sincerely,

Mrs. LeRae Kinney, Director
